

Key Club Division 8 Newsletter

Hey everyone, for those of you who don't know me, I'm Taylor Lancaster, your new Division 8 Lieutenant Governor!

I'm a junior at Lincoln County High School in Eureka this year and I'm involved in cross country, track, and of course key club. Due to complications with the key club account I haven't been able to reach out sooner, but I'm looking forward to working with and getting to know you all!

If you have any questions for me, feel free to contact me at mtkeyclubltg08@gmail.com or 1-406-890-9645

Division 8 June Newsletter

Elections:

As soon as your club holds elections and establishes new officers for the year, I'll be reaching out to them to go over positions and share ideas, so send me an email when those are decided!

Upcoming Events:

As you may know, Key Leader Camp is coming up in July on the 22-25 at Flathead Lutheran Bible Camp. However, the event is in danger of being canceled due to lack of people. In order for it to happen, we need 20 more people to sign up! It's an amazing experience and I would highly recommend going! Contact me for more details!

Division 8 June Newsletter

Division Rally:

A division rally is a get-together for the clubs of division 8, which is composed of the Columbia Falls, Polson, and Eureka key clubs. A plan for a division rally is in the works, though nothing official yet. I'll be reaching out to discuss dates with everyone as soon as there are more details! We could do a picnic at a park and field games or do a community service activity with food afterwards. I'm open to suggestions!

Youth Opportunity Fund:

The Youth Opportunity Fund (YOF) is a grant given by Kiwanis to a Club so they can do a certain project. The amount ranges from \$100-\$2000 depending on your request. To receive the grant, you have to identify a service project you'd like to do and fill out a request to send to the District Kiwanis for discussion. The applications are due by October 15th, but the sooner you have a project idea, the better! More info can be found on the Key Club website.
